Customer Testimonials

We hired an Enroute Ensuites bathroom for our wedding, and it was amazing. Our guests loved having a proper bathroom instead of a standard porta-loo.

– Jessica & Tom, Melbourne

The perfect solution for our outdoor event! The setup was quick, and the ensuite was spotless and comfortable.

– Olivia R., Mornington

Our guests were so impressed with the quality of the ensuite. It really added a touch of luxury to our function.

– David P., Yarra Valley

Enroute Ensuites made all the difference at our garden party. It blended in beautifully and provided a great experience for everyone.

– Sophie T., Geelong

FAQ'S Frequently Asked Questions

Do you handle delivery and collection?

Yes, we arrange delivery and collection anywhere in the Victoria region. Our team ensures a smooth setup before your renovation begins and will handle the removal when your project is complete.

Is it easy to set up the portable bathroom at my home?

Yes, our team will handle the full setup and installation. The portable bathroom can be positioned conveniently outside your home and connected to the necessary utilities.

Do I need special connections or utilities?

The portable bathroom can be connected to your home's existing water and sewer lines, and also comes with its own power options, including 240V outlets and solar capability.

How much space do i need?

The unit requires a reasonably flat area outside your home, typically the size of a small parking space or driveway.
